BE IT HEREBY RESOLVED by the Washington State Boundary Review Board for Snohomish County that the Organization and Rules of Practice and Procedure are hereby revised and adopted on November 8, 2010.

ORGANIZATION

I. OFFICERS, TERMS

The Board shall elect from among its members at the March meeting a Chair and Vice-Chair, each of whom shall serve for a period of one year and thereafter until their respective successors shall have been elected, but the Chair or Vice-Chair may be replaced at any time by a vote of the majority of the members. However, this does not preclude a member from holding any office on the Board because their term expires the following year. The Vice-Chair shall serve in the absence of the Chair and until a new Chair is elected if a vacancy occurs. (RCW 36.93.070)

II. BOARD COMPENSATION

Upon attendance at a regular or special Board meeting or at a hearing called to review a Notice of Intention each member of the Board shall be entitled to compensation from the Snohomish County Current Expense Fund at a rate of \$50.00 per day, or major portion thereof. Each member shall be entitled to compensation for other time actually devoted to the work of the Boundary Review Board and performed with the approval of the Chair or majority of the Board at a rate of \$50.00 per cumulative period of seven hours or major portion thereof. (RCW 36.93.070)

RULES OF PRACTICE AND PROCEDURE

I. OFFICE PROCEDURE

A. Correspondence

All correspondence to the Board shall be received at the Office of the Chief Clerk of the Boundary Review Board, M/S 409, 3000 Rockefeller Avenue, Everett, WA 98201.

B. Notice of Intention

1. Form – All Notices of Intention shall be submitted by the city, town, or special purpose district being petitioned, or in case of incorporation or formation, by the petitioner group in the appropriate form, which shall be available from the Chief Clerk upon request.
2. Single Parcels Only – A Notice of Intention shall describe no more than one parcel of land, that is, a parcel whose boundary is defined by a single continuous line. This is to include a map outlining the perimeter boundary of the subject area together with a perimeter description of the subject area.
3. When Review Not Necessary – In case of annexation where the area proposed is less than ten acres and less than two million dollars in assessed valuation, the Chair may by written statement declare that review by the Board is not necessary for the protection of the interest of the various parties, in which case the Board shall not review such annexation. (RCW 36.93.110)
4. Filing of Notice of Intention – All Notices of Intention and Petitions whether or not they are to be filed with county offices other than the Boundary Review Board will in all cases be processed through the Boundary Review Board for review and concurrence.
5. Initiator – The initiator involving petitions and Notices of Intention for proposed actions, in accordance with RCW 36.93.00 relating to cities, towns, or special purpose districts shall be that city, town, or special purpose district being petitioned. Where no city, town, or special purpose district exists (city or town incorporation or special purpose district formation), the initiator shall be the petitioners of such action.

In cases where the county council proposes to create a sewer district pursuant to RCW 56.04.020 and is in receipt of an opinion of the county health officer as provided therein, the county council shall be deemed the initiator. (RCW 36.93.090)

6. Additional Information – To facilitate consideration of the Notice of Intention, the Board or its Chief Clerk may request the initiator of the action to supply additional specified information regarding the subject of the Notice of Intention.
7. Routing – Upon assigning an effective filing date to a Notice of Intention, the Chief Clerk will route the Notice of Intention to appropriate agencies for review and comment, including legal counsel (if jurisdiction is invoked), assessor, auditor, public works, planning and development services, sheriff, finance, parks, district court(s), and Snohomish Health District sanitation division.
8. Filing Date – Upon determination that according to RCW 36.93 and Rules of Practice and Procedure of the Board, the Notice of Intention is legally sufficient, the Chief Clerk will assign an effective filing date that a legally sufficient Notice of Intention was actually filed with the Board. In making this determination, the Chief Clerk may rely upon certification provided at the time the Notice of Intention is filed. However, in all cases the Board will request confirmation from appropriate County offices that the petition is legally sufficient. This will at a minimum entail a determination that the legal description of the property is correct and that the relevant provisions of Titles 35 and 35A RCW are met. An effective filing date will not be assigned until this confirmation has occurred.
9. Notice to the Board – The Chief Clerk shall forward a copy of the Notice of Intention to each Board Member seven (7) calendar days prior to the Board meeting at which the Notice of Intention is to be considered.
10. Notice to Entities Having Jurisdiction – Upon assignment of an effective filing date to a Notice of Intention the Chief Clerk shall promptly forward a copy to the governing body of each governmental unit having jurisdiction in or near the boundaries of that territory proposed to be affected and to all other entities having requested such information.
11. Withdrawal – Any Notice of Intention filed with the Board may be withdrawn by the entity who filed the same at any time prior to invocation of the Board's jurisdiction pursuant to RCW 36.93.100, and thereafter may be withdrawn only with the consent of the Board and of all persons or entities who have requested review by the Board and paid the fee required to file such a request.
12. Fees Not Refundable – In no case may a fee be refunded.
13. Withdrawal of Request – A request for review filed pursuant to RCW 36.93.100(2) by the county or an affected governmental unit may be withdrawn with the consent of the Board provided legal notice has not been

publicized. The request for review fee will not be refunded. This paragraph is effective March 1, 1999.

C. Agenda

On or before the Friday preceding a Board meeting or public hearing, an agenda shall be prepared by the Chief Clerk which shall summarize all matters then known to require attention. However, the Board may consider any other matter brought before it by any member thereof so long as all necessary notice requirements have been fulfilled. A copy of the agenda for each meeting shall be filed by the Clerk of the Board.

D. Notice to Governmental Units: Response
